Credit linked grant @35% would be provided to FPOs, SHGs, cooperatives, State owned agencies and private entrepreneurs for development of common infrastructure including common processing facility, lab, warehouse, cold storage, packaging and incubation center.

Marketing and branding support would be provided at State or regional level to FPOs/ SHGs/ Cooperatives or an SPV of micro food processing enterprises under the scheme following the ODOP approach for developing common packaging & branding with provision for quality control, standardization and adhering to food safety parameters for consumer retail sale. These organisations would be supported based on DPR prepared by them and recommended by the State Nodal Agency. Support for branding and marketing would be limited to 50% of the total expenditure.
